School of Humanities
KIIT University
Bhubaneswar, India

About Bhubaneswar

Bhubaneswar is an ancient city in India's eastern state of Odisha, formerly Orissa. Many temples built from sandstone are dotted around Bindu Sagar Lake in the old city, including the 11th-century Hindu Lingaraja Temple. Outside Rajarani Temple are sculpted figures of the guardians of the 8 cardinal and ordinal directions. Jain antiquities, weaponry and indigenous patta-chitra paintings fill the Odisha State Museum. Bhubaneswar is also situated at the tri-junction or Golden Triangle of "Konark-Sun Temple", "Puri-Jagannath Temple" and "Bhubaneswar-Lingaraj Temple". In addition, the state Odisha has a tradition of rich cultural heritage, sanctuaries and handicrafts. The famous Chilka Lake (Largest in Asia) is just 1.5hrs travel from Bhubaneswar. The weather (Temperature 19-30 degree) is quite calm and cool with the on-set of winter and quite pleasant for travel and tours. The City is well connected with Air, rail and road to major cities of India with direct flights, train and intercity buses. The local people are fluent in Odia (local language), Hindi (national language) and English (international) language.

About Organizing Institutes

NAMAH Foundation

NAMAH Foundation is registered under Trust Act. It works with communities to raise mental health awareness, enable early detection of mental illnesses and to aid, assist, provide, and offer comprehensive care and professional counselling services, as well as high-quality mental health services, in order to promote and improve overall well-being. The mission is to provide counselling services to children, adolescents, adults, couples, families, and senior citizens from various socio-economic backgrounds.
